```
   D       G     Em    A                D     G     Em     A
Forgive me,         if I don t jump for joy,        oh
       D      G     Em     A            D     G     Em     A
Like I used to,            when I was a boy
     D       G     Em     A             D     G     Em     A
Bear with me,          if I don t sound inspired

When I speak of love,         if the words are sounding tired
```

Chorus: **Bm**, **A**, **G**, **D**

```
           Bm                      A
Oh,  cause you are everything that matters,
    G                     D
The only one that s on my mind
    Bm               A
And this new love is real as all
         G             D
But it s not the first time
    Bm               A
And this new love is real as all
         G                     D
But it s not the first time
