[Verse 1]

```
F#m
Up in the sky, there is a village
        E                      D
And the people there are blue, I believe it s true
F#m
Up in the sky, people are happy
             E                     D
They love to sing and there is no need for a king
F#m
Up in the sky, nothing is insane
       E                           D
Like a rocket driven plane you can fly above the rain
F#m
Up in the sky, you just feel fine
            E                            D
There is no running out of time and you never cross a line
F#m     E       D
I never want to die
F#m     E           D
I wanna live in the sky
```

[Verse 2]

I m going to the blue
Into the blue
Wanna live up in the sky
Wanna live up in the sky (2x)
Up in the sky
Up in the sky, you can fly
You will make it if you try
In the sky you are far away
Up in the sky you can sing
And you can do everything
And no matter what they say it s true
I m going to the blue
