Love song, on the radio,
On the radio, has got balls
Kiss me, kiss me baby,
Kiss me baby, before I fall

```
  Bb
I can t think why you move so slow
     A
You stop me when I want to go
E
Leave me peace or leave me now
      F
Don t you come back, not now
```

Time is come when red is blue
You for me and me for you
Loss of pay awash in gray
What was love is now a grave

D.J., on the radio,
On the radio, has got balls
He plays, only one song,
Only one song, all day long

I don t want a girl in short wave
I don t want a girl in mono
I just want a girl on the radio
Kiss me kiss me kiss me baby, don t say no
I m too lazy, don t say stop
When we should go, goooo...go
