Celentano
A Toys Orchestra

Intro: **Bbm**

```
           Bbm
Before the flames of my desire

set my memories on fire
      F
oh my friend!

When the moon became a head
                        Ebm
shake my hand just once again

la la li la la la la
                       Bbm
push the fingers on my heart!
           Bbm
And at the grand feast of the heaven
                                     F
we will come together singing yuppi du

Hengie, Frankie, me and you
                   Ebm
and Mrs Macabrette too

la la li la la la la
                            Bbm
and all the fellows of bad luck!
```

Piano solo: **Bbm/F/Ebm/Bbm**

```
             Bbm
When all the central station prostitutes
                                     F
will leave the slums direction-hollywood

entire woods will be uprooted
                          Ebm
tree by tree and root by root

la la li la la la la
                            Bbm
just a glass eye beats the time
C#                                       G#
     But all my friends come from the city
Eb-                                     Bbm
     and neverthless, I got more enemies
```

```
