Do It With A Rockstar
Amanda Palmer

CAPO 1st FRET

D
Now I lay me down to sleep

A
Do you wanna dance?
A
Do you wanna fight?
A
Do you wanna get drunk and stay the night?

D
No regrets
Noblesse oblige

Do you wanna dance?
Do you wanna fight?
Do you wanna get drunk and stay the night?
Do you wanna smoke till our throats are sore?
Make out and then talk and then make out some more?

Do you wanna dance?
Do you wanna fight?
Do you wanna get drunk and stay the night?
Do you wanna know all the things I do
When I m all alone and thinking about you?

Do you wanna?
Do you wanna?
Do you wanna?
Do you wanna?
Do you, do you, do you, do you
Do you, do you, do you, do you?

A
Do you wanna go back home?
E
Your animals are all alone
G
Oh, there s a chicken waiting on the stove
D
And your cousin left his DVD of swinging in the 70s
Or do you wanna go back home
Check your messages and charge your phone?
Oh, are you really sure
You wanna go

When you could
Do it with a rock star?
Do it with a rock star

A
Wait, wait, wait
E
I ll be fine in a minute
G
Wait, wait, wait
D
I ll be fine in a minute
Fine in a minute

Dsus2
I don t want your body
Just a part to listen to INXS
All the practice in the world
Won t get me good at loneliness-ness
Loneliless-ness
Loneliness-less
Ness-less-ness-less

Do you wanna dance?
Do you wanna fight?
Do you wanna get drunk and stay the night?
Do you wanna see all my cavities?
Talk about the crisis in the Middle East?
Do you wanna get really terrified?
Ice caps are all melting, and we re gonna die
Do you wanna cry?
I can make you cry
Do you wanna hit me, baby, one more time?

Do you wanna?
Do you wanna?
Do you wanna?
Do you wanna?
Do you, do you, do you, do you
Do you, do you, do you, do you
Do you wanna go back home?
Your animals are all alone
Oh, there s a chicken waiting on the stove
And your cousin left his DVD of swinging in the 70s
Or do you wanna go back home
Check your messages and charge your phone?
Oh, are you really sure
You wanna go
When you could
Do it with a rock star?
Do it with a rock star

Wait, wait, wait

I ll be fine in a minute
Wait, wait, wait
I ll be fine in a minute

(Do you wanna go back home?)
Wait, wait, wait
I ll be fine in a minute
(Do you wanna go back home?)
Wait wait wait
I ll be fine in a minute
Fine in a minute
Fine in a minute
Fine in a minute
Fine in a minute
Fine in a minute
Fine in a minute
Fine in a minute
Fine in a minute
Fine in a minute

Highly recommend messing around with these chords a LOT to get a good sound.
Best of luck x
