G                   D/F#
I dont wanna die in corduroy
I count up every time she comes, she shakes
If I could Id live on Oreos
Id grow my hair long and dry it straight
     Em                 D                                  C
Shes always been a girl wrapped in boys  and I was breaking up the band
A lot of every little thing that makes you better Isnt name brand  (chorus)
If I knew Id just be still and know everything  Id be exquisite
I love you and you sparkle Im okay today I really needed it  (chorus/ solo over
