Watch Over Me
Aaron Shust

Verse 1:

```
         Eb2
I was lonely
                        Cm7**
You came waltzing over to me
                              Bbsus
And Your eyes they saw right through me
                              G#
And You heard each one of my cries for help
                        Eb2
And You came to rescue me
```

Verse 2:

```
         Eb2
I was broken
                         Cm7**
Every prayer that I had spoken
                              Bbsus                    Fm
Reached Your ears and all my tears werenâ€™t cried in vain
            Eb/F#   G#
You carried all my pain
                          Bbsus
And put me back together again
```

Chorus:

```
               Eb2                G#
You watch over me in the darkest valleys
               Cm7**                   G#
You watch over me when the night seems long
               Eb2                 G#
You help me to see the way before me
               Fm      Eb/F#       G#
You watch over me; You watch over me
```

Verse 3:

```
       Eb2
Always faithful
                        Cm7**
To be leading, at this moment
                      Bbsus
Interceding for Your children
                      Fm                Eb/F#     G#
Though Iâ€™ve wandered astray from Your infinite ways
                      Bbsus
```

Youâ€™ve never left me alone
