PM = Palm mute
x = Mute string
b = bend note
r = release note
h = hammer on
p = pull off
v = vibrato

```
Gm
Kau mekar dihatiku
Cm               Eb                 D
Umpama sekuntum bunga di padang pasir
Gm
Kau adalah musafir
Cm                  Eb    D     Gm
Dahaga seteguk kehausan cintaku

Cm           Gm
Di dataran kering kontang
    D                Gm
Tanpa ada penghuni asing
Cm         Gm
Namun kau bungaku
D              Eb        D
Subur mekar di jambangan

Gm
Kini kau merayu ku
Cm
Dahagakan seteguk air
         Eb        D           Gm
Bagai musafir di padang pasir

Cm          Gm
Hanya.....cintaku.....
  D            Gm
```

Pelepas dahagamu
Cm **Gm**
Terdengar mesra rintihan
D **Gm**
Menjerit dalam kehausan
