Here I Am
Adam Green

Intro: **G Am Bm C G Am Bm C D7**

```
G        Am      Bm         C
Looking down the line that you
G        Am     Bm       C    D7
Left a trail I hope you will undo
G               Am      Bm        C
The echoes of failure inside someone
     G       Am       Bm    C      D7
To learn to feel the flavor of the sun

       G   Am  Bm     C         D7
Binki: Here I  am, meet me as before and more again
Adam:  Here I  am    as       before again
       G       Am      Bm          C        D7
Binki: I won t let my endings keep me from you again
Adam:  I       won t   be          kept     from you again

G          Am       Bm         C
Taking you from the back of my mind
G             Am     Bm      C      D7
To keep you with me always, all the time
G        Am       Bm        C
Imagine scenes I hoped for you
G          Am     Bm  C     D7
Pretending to be realistic too

       G   Am  Bm     C         D7
Binki: Here I  am, meet me as before and more again
Adam:  Here I  am    as       before again
       G       Am      Bm          C        D7
Binki: I won t let my endings keep me from you again
Adam:  I       won t   be          kept     from you again

G                  Am           Bm              C
Crack through the grip, look up at what you ve touched
G           Am          Bm              C       D7
Hiding yourself in the wrong place for lo... ...ove

       G   Am  Bm     C         D7
Binki: Here I  am, meet me as before and more again
Adam:  Here I  am    as       before again
       G       Am      Bm          C        D7
Binki: I won t let my endings keep me from you again
Adam:  I       won t   be          kept     from you again
