We Could Happen - AJ Rafael feat. Noah Bartfield
Tabbed by angelomas

[Intro]

```
F             Am
i ll hold the door
            Dm          Cm       F7      Bb
please come in and just sit here for a while
        Am          G                C7         F
this is my way of telling you i need you in my life
         Am                Dm
it s so cold without your touch
          Cm       F7        Bb
i ve been dreaming way too much
         Am           G      C7
can we just turn this into reality
```

[Chorus]

```
      F                            C
cuz ive been thinking bout you lately
               Dm                Bbm            F
maybe you can save me from this crazy world we live in
                 C
I know we could happen cuz you know
      Dm               Bbm
that ive been feeling you.
```

[Verse 2]

```
F                  Am        Dm
storms they will come but i know
          Cm        F7    Bb
that the sun will shine again
           Am          G              C7
he s my friend and he says that we belong together
F            Am                Dm
i ll sing a song to break the ice
         Cm            F7      Bb
just a smile from you would suffice
         Am       G                 C7
its not me being nice girl this is real tonight
```

[Chorus]

```
      F                            C
cuz ive been thinking bout you lately
               Dm                Bbm            F
maybe you can save me from this crazy world we live in
                C
I know we could happen cuz you know
      Dm               Bbm
that ive been feeling you.
```

[Bridge]

```
Dm         Am7     F               G
there s no other, there s no other love
Dm       Am7     F       G
that I d rather have... no.
Dm          Am7    F                   G
there ain t no one there ain t no one else
Bb                G
i want you for myself.
```

[Chorus]

(no strumming until world for the first time)

```
      F                            C
cuz ive been thinking bout you lately
               Dm                Bbm            F
maybe you can save me from this crazy world we live in
                C
I know we could happen cuz you know
      Dm               Bbm
that ive been feeling you.

      F                            C
cuz ive been thinking bout you lately
               Dm                Bbm            F
maybe you can save me from this crazy world we live in
                C
I know we could happen cuz you know
      Dm               Bbm
that ive been feeling you.
