Capo 2/

Intro : **Am Asus2 Am Asus2**

```
Am              G                    Dm
Day break, I m sitting near your grave
Am                           G                  Dm
I take my guitar out of the tin bag because I haven t got a case for it
Am                  G                Dm
I take a flight of fancy and see an airplane reflecting the sun
Am                     G                Dm
It carries many stories, enough for our flight

Am                   G
A couple of rabbits come out from nowhere
Dm                                     Am G Dm
Wriggling their ears always together
Am                 G                    Dm
Feeling, reeling, dealing, revealing, singing by your side
          Am          G             Dm          G
Because I know that I feel out of place anywhere I go

                  Bm  F#m
I sing night and day
                  Bm  F#m
I sing night and day

          Dm
Night and day

Am         G           Dm
As all the things come together
                    Am          G      Dm
Time flows past me like a never-ending river
Am                     G
People drifting in the forest of buildings
Dm                                  Am          G
How many times am I gonna see you in my dreams
         Dm                G
You re a memory now, one I pray never fades

                  Bm  F#m
I sing night and day
                  Bm  F#m
I sing night and day
