this is how the classical guitar bit after the
first two lines goes...

```
e-------------------------------------|
b-------------------------------------|
g--9s11--9--7-6-7--9s11--4------------|
d-------------------------------------|
a-------------------------------------|
E-------------------------------------|

e-------------------------------------|
b-------------------------------------|
g--9s11--9--7-6--5h6--4---------------|
d-------------------------------------|
a-------------------------------------|
E-------------------------------------|
```

I think the songs in D major, pretty simple really.

This is how the rhythm goes:

```
 Bbm             Ebm  Fm   Bbm
Dil ko yun apnay jalatay rahay...
 Bbm             Ebm   Fm    Bbm
Sapnay bhi hum ko dikhatay rahay...
 Bbm      Ebm     Fm   Bbm
Jeeya na jae tumharay bina...
 Ebm              Fm
Bekarar...honay lagee hai..
 Ebm               Fm
Bekaraaree...barhtee jai...
      F#
Sunta raha...
        G#
Kuch na kaha...
           Fm
jo dil mein thaaaaaa......
 Ebm             G#
maireeean taireean...
Fm              Bbm
mein tairee parchaian...
 Ebm         G#
```

mereean tanhaian....
Fm **Bbm**
hain tairee ruswaeean....

The rest is mostly similar.
