Love Is Blind
Alicia Keys

```
                  Bm        A
See people don t see what I see
     Em
Even when they re right there
                    A
Standing next to me
    Bm                                        A
And all of my friends think I m crazy for loving you
               Em
But they don t know
                              A
There s nothing else I can do
```
