When winter comes in summer  
When there s no more forever (yeah yeah)  
That s when I ll stop loving you (that s when I ll stop loving  
you)

That s when I ll stop loving you

I m sure you ve heard these words before  
And I know it s hard for you to trust them once more  
You re afraid it all might end  
And a broken heart is scared of breakin again

But you ve gotta believe me  
I m never leavin  
You ll never cry long as I am there  
And I will always be there  
You will never be without love

When winter comes in summer  
When there s no more forever  
When lies become the truth  
Oh you know then, baby  
That s when I ll stop loving  
That s when I ll stop loving you

That s when I ll stop loving you, yeah

Long as sunlight lights the sky  
The light of love will be  
Found in these eyes of mine (these eyes of mine)  
And I will shine that light for you  
You re the only one  
I ll ever give this heart to

What I m trying to say is (to say)  
Nothing will change this  
There ll be no time you won t find me there  
Cause I will always be there  
You will always have all my love

When winter comes in summer  
When there s no more forever  
When lies become the truth  
Well you know then, baby  
That s when I ll stop loving  
That s when I ll stop loving you

That s when I ll stop loving you

When this world doesn t turn anymore  
When the stars all decide to stop shining  
Till then I m gonna be by your side  
I m gonna be loving you forever  
Every day of my life.. baby  
Oh yeah yeah

Well you know then baby  
That s when I ll stop loving  
That s when I ll stop loving..

That s when I ll stop loving you  
When winter comes in summer  
When there s no more forever  
When lies become the truth (lies become the truth yeah)  
Well you know then, baby  
That s when I ll stop loving (that s when I ll stop loving)  
That s when I ll stop loving you

When winter comes in summer  
When there s no more forever  
When lies become the truth  
(Well you know then, baby)  
That s when I ll stop loving (that s when I ll stop babe)  
That s when I ll stop loving you

That s when I stop baby  
I ll stop babe  
Lovin you
