We Could Happen - AJ Rafael feat. Noah Bartfield
Tabbed by angelomas

[Intro]

```
G#              Cm
i ll hold the door
             Fm          Ebm       G#7      C#
please come in and just sit here for a while
        Cm          Bb                 Eb7         G#
this is my way of telling you i need you in my life
         Cm                Fm
it s so cold without your touch
          Ebm       G#7        C#
i ve been dreaming way too much
         Cm           Bb      Eb7
can we just turn this into reality
```

[Chorus]

```
      G#                            Eb
cuz ive been thinking bout you lately
               Fm                C#m            G#
maybe you can save me from this crazy world we live in
                 Eb
I know we could happen cuz you know
      Fm               C#m
that ive been feeling you.
```

[Verse 2]

```
G#                   Cm        Fm
storms they will come but i know
          Ebm        G#7    C#
that the sun will shine again
           Cm          Bb              Eb7
he s my friend and he says that we belong together
G#            Cm                Fm
i ll sing a song to break the ice
         Ebm            G#7      C#
just a smile from you would suffice
         Cm       Bb                 Eb7
its not me being nice girl this is real tonight
```

[Chorus]

```
      G#                            Eb
cuz ive been thinking bout you lately
                Fm                C#m            G#
maybe you can save me from this crazy world we live in
                 Eb
I know we could happen cuz you know
      Fm               C#m
that ive been feeling you.
```

[Bridge]

```
Fm         Cm7     G#                Bb
there s no other, there s no other love
Fm       Cm7     G#       Bb
that I d rather have... no.
Fm          Cm7    G#                   Bb
there ain t no one there ain t no one else
C#                Bb
i want you for myself.
```

[Chorus]

(no strumming until world for the first time)

```
      G#                            Eb
cuz ive been thinking bout you lately
                Fm                C#m            G#
maybe you can save me from this crazy world we live in
                 Eb
I know we could happen cuz you know
      Fm               C#m
that ive been feeling you.

      G#                            Eb
cuz ive been thinking bout you lately
                Fm                C#m            G#
maybe you can save me from this crazy world we live in
                 Eb
I know we could happen cuz you know
      Fm               C#m
that ive been feeling you.
