the song: "Epidermis Girl"

The bass line repeats itself throughout the verses. It follows the chords on the chorus. During the verses, there are two guitars. The first one just plays the E chord with heavy vibrato at certain points in the verses. The second one is distorted and starts after the first four lines. If you listen to the song, it s real easy to figure out where it all goes.

[tab]Bass Line:
E---0-0--12--0-0--12-11[/tab]

Sweetness whispers nothings in my ear.

Nothing is exactly what I hear.

With a glaze she gazes into space.

Is there nothing more? There must be something more.
E5 E5 F#--A
I can see that beauty, is more than skin.
E5 E5 F#--A
My infatuation leads me to sin
E5 E5 F5--A
Give me vision past the epidermis girl.
E5 E5 F#---------A
Is there nothing more? There must be something more.

(Chorus)

I find a want, I want to need, I need a deeper love[/tab]
