Blondie

(intro) **A E D E** **A E D E**

```
A                      D             E
Darlin darlin darlin I can t wait to see you
     C#m                    B            E
Your picture ain t enough I cant wait to touch you
       A      E   D   E
In the flesh  ooh ooh ooh
A                      D             E
Darlin darlin darlin I can t wait to hear you
  C#m                    B           E
Remembering your love is nothing without you
       A         E    D    E
In the flesh
     C#m                    Abm
Went walking one day on the lower east side
F#m                      A           Abm
Met you with a girlfriend you were so divine
         F#m                        Abm
She said hands off this one sweetie this boy is mine
  F#m                        A             B A        E    D    E
I couldn t resist you Im not deaf dumb and blind
A                        D           E
Darlin darlin darlin now your out of town
      C#m                          B             E
Those girls that you run with they bring my head down
    A                          D        E
Ooh darlin darlin darlin watch out if I see you
         C#m                 B              E             A
Cause if you say hello it ll mean you wanna see me in the flesh
    E   D            E           A
Ooh ooh ooh warm and soft in the flesh
    E   D             E          A
Ooh ooh ooh close and hot in the flesh
    E       D   E     A
Ooh ooh ooh ooh ooooh ooh
```
