Black Widows Web
Angra

```
G
Let me tell you a little tale
Eb
Maybe you have heard about
G
Black widow spider is on the wall
Eb
Weaving a silken web
Cm
Patiently works her thread
          Ab
Quiet she lies there waiting
Db                C          Cm Am
For your time to fall

A                                  Am
I was fooled by your false adulation

Just another bait that fell into your trap

Stop your whining of victimization
                                      Ab       Bb
 Cause you know well how to differ crap from gold

C
The black widow s web
    Bb
She silently waits for a chance
Ab           Db                            C
Once you re caught she gets hold of your life

You are mine
Bb                            F    Eb B
Then her poison will make you blind

C
The black widow s web
           Bb                     Ab
She ll be carefully spreading her net
          Db                        C
You have nowhere to hide, she will find you
       Bb
Better run from me
                   F      Eb B
Tempting your worse desires

A
When I turned on my device of alienation
A
You were draining out all my identity

You re not obligated, social isolation
                                        Ab Bb
And you are trapped by your own vanity

C
The black widow s web
    Bb                        Ab

You can t hide
Bb                      F   Eb B
Tempting your worse desires

 Cause you re mine

Your need for attention made your blind

Now your identity is mine
