**Somewhere Thats Green**
**Alan Menken**

**E**
I know Seymour s the greatest
**G#/D** **Ddim** **C#m**
But I m dating a semi-sadist.
**G#/B** **Bbm7**
So I ve got a black eye
**Eb7** **G#** **C#/G** **Eb/G**
And my arm s in a cast.

**G#, C#/G, Eb/G**

**E**
Still that Semore s a Cutie
**G#/D** **D**-dim **C#m**
Well, if not, he s got inner beauty

And I dream of a place

Where we could be together at last

**G#9** **C#/G**
A matchbox of our own
**Eb7sus** **Eb7** **G#**
A fence of real chain link,
**Fm** **G#/D**
A grill out on the patio
**Bb7/C#** **Bb7** **C#/D**
Disposal in the sink

**Eb7 C#/D, Eb7,**

**F#/G** **G#7** **F#/G**
A washer and a dryer
**F#/C** **C#** F#m7b5
and an ironing machine
**G#/D** **Eb7sus**
In a tract house that we share
**Eb7** **G#, C#/G, Eb/G, G#**
Somewhere that s green.

**G#9** **C#/G**
He rakes and trims the grass
**Eb7sus** **Eb7** **G#**
He loves to mow and weed
**Fm** **G#/D**
I cook like Betty Crocker
**Bb7/C#** **Bb7** **C#/D**

And I look like Donna Reed

**Eb7 C#/D, Eb7,**

**F#/G G#7 F#/G**
There s plastic on the furniture
**F#/C C#** F#m7b5
To keep it neat and clean
**G#/D Eb7sus**
In the Pine-Sol scented air
**Eb7 G#, C#/G, Eb/G, G#**
Somewhere that s green

**Ebm**

**E F#/E**
Between our frozen dinner
**G#/D Eb7 G#**
And our bedtime, nine-fifteen
**Fm C/D# G#/D**
We snuggle watchin Lucy
**Bb7/C# Bb7 Eb Bb7/C# Eb**
On our big, enormous twelve-inch screen

**G#9 C#/G**
I m his December Bride
**Eb7sus Eb7 G#**
He s Father, he Knows Best
**Fm G#/D**
Our kids watch Howdy Doody
**Bb7/C# Bb7 C#/D**
As the sun sets in the west
**F#/G G#7 F#/G**
A picture out of Better Homes
**F#/C C# Dm-C7**
and Gardens magazine
**G#/D**
Far from Skid Row
**C#9-Eb7**
I dream we ll go
**G#**
somewhere that s green.

**C#/G, Eb/G, G#, C#/G, Eb/G#, G#**
