Storm of Emotions
Angra

Intro: **Bbm F F# F Bbm**

```
   Bbm                                          F
1. Wake up my friend; Today life will show the answers
Bbm                    F#                Bbm
It s time for you to face the risk; Dark clouds will go away
                                                        F
They know your fears; Cause your mind can t hide connections
Bbm    F           F#           G#             Bbm
   And disturb the harmony; For you to let it fade

               C#          Eb          F#
Refrão: Let it out, let it go; Grab the chances
              G#            Bbm
You ve been waiting for so long
       C#              Eb          F#
Let it out, take control; Find your way towards
      G#      Bbm
The places you belong

  Bbm                                           F
2. Wake up my friend; You re in charge of your connections
Bbm       F               F#                                  Bbm
It s time for you to face the day; Dark clouds were gone away
Bbm                                     F#
All the past?; Or maybe never seem to?
               Bbm
The minute you wake up;

               C#5         Eb5          F#5
Refrão: Let it out, let it go; Grab the chances
              G#5           Bb5
You ve been waiting for so long
       C#5             Eb5         F#5
Let it out, take control; Find your way towards
      G#5     Bb5
The places you belong

   C#5            F5                    C5              G5
3: I ll wait  till the storm of emotions; Changes the tides
Bb5               F5              C5
 Afraid that the strong clouds of sorrow
              G#5               F5
Will haze my side and blind my eyes.

               Eb5         F5          G#5
Refrão: Let it out, let it go; Grab the chances
