Intro- -**G# B C#** â€“ 8 bars

Verse 1
/**G# B G# C#** / **G# B C#-B**/ (two bars-same riff for all verses)

They say that we ain t got the style,
We ain t got the class,
We ain t got the tunes that s goin to put us on the map
And I m a phony in disguise,
Tryin to make the radio,
I m an anti-social anarchist, I sound like so and so,
They say I m just a stupid kid,
Another crazy radical,
Rock and roll is dead I probably should ve stayed in school,
Another generation X
who somehow slipped up through the cracks,
Oh they d love to see me fall but I m already on my back

Chorus **G# B C#**

And it goes In One Ear,
And right out the other,
People talkin shit but you know I never bother,
IT goes In One Ear,
And right out the other,
People talkin shit, They can kiss the back of my hand

Riff A â€“ 4 bars

Verse 2

Now I know I m not a saint,
I been a sinner all my life,
I ain t tryin to hide me flaws,
I d rather keep them in the light,
They wanna criticize, scrutinize,
Cast another stone,
Burn me at the stake and sit and watch it from their throne,
They say the devil is my pal,
I do a lotta drugs!
The crowd will only like me if they re really fuckin drunk,
They think they know my thoughts,

But they don t know the least,
If they listened to the words they d find the message tucked beneath

Chorus

Riff A â€“ 4 bars

Breakdown â€“Riff B -4 Bars

(You hear that... you hear what s coming? Oh you better run for the hills,
cos we re coming to your town, and we re gonna burn that mother fucker down!)

Solo

Verse 3
Here s the moral to the story,
We don t do it for the glory,
We don t do it for the money,
We don t do it for the fame
So all the critics who despise, go ahead and criticize,
It s your tyranny that drives us, adds the fire to our flames

Chorus 2 x

And it goes In One Ear,
And right out the other,
People talkin shit but you know I never bother,
It goes In One Ear,
And right out the other,
I m only playing music cos you know I fuckin love it,

It goes In One Ear,
And right out the other,
People talkin shit but you know we ll never bother,
It goes In One Ear, and right out the other,
People talkin shit well you know they can kiss the back of my hand.
