Deep in my mind Im secure with getting by
                Cadd11
I wanna see the light before I die or I lie in an empty space,

      G#
The darkness comes and I ve been telling my soul
     Cadd11
And me and myself we turn around, we re getting old,

            G#
But the lightning crashing, foolish emotions
         Cadd11
From the bruises and the beauty in this moment that we re feeling,

          G#
And I feel like I m seeing the world inside of me
          Cadd11                            C#sus4
But I can tell you that I know, it s getting easier to breathe,

         G#
There  a cold in the morning, endless equation
      Cadd11
Of who we ve become, it s a complex situation

G#
So live, love, life give love
G#
Live, love, life, give love
Cadd11
Live, love, life, give love
C#sus4
It s who are we anyway

B       F#       C#  G#
So don t rain on my parade
B         F#        C#         G#
Life s too short to waste one day
