Intro

G - D - F# - G - Em - G - A

Verse 1

```
 G                   D
Full moon hung in a cloudy sky
 F#                  G
Asking questions of where, for and why
 Em                        G                    A
Answers that still have no meaning, to us passes by - -
 G                        D
Stiring at her through a party scene
F#                         G
So scared of touching that elusive dream
 Em                    G                   A
Feelings that seem to painful to us passes by
```

Chorus

```
  Bm                      F#
A blindness that comes so quietly with tact
 G                     D
Pretending to have no lack
Em                       G
Of sight which paints so well
              A            C#
A feeling of contentment. (In a moment)
D           F         C        Am
All will be black and our only way back
Em      Bm
Will be gone
D              F#
lost with this song
```

Verse 2

```
 G                   D
(He must go try to touch)
     F#                 G
That moon in a cloudy sky
 Em                   G                     A
taking the chance to reach up to it not ask why
 G                   D
Holding her hand in fearful rhyme
 F#                        G
Touching her depth s and frying to time
 Em                   G                    A
Feelings that are so painful to us make us strong ahhh
```

Chorus

```
  Bm                     F#
```

A meaning that comes so quietly with tact
 G **D**
Forcing us to have no lack
Em **G** **A** **C#**
Of sight which paints so well the feeling of being. (in a moment)
D **F** **C** **Am**
All will be white and our only bright lights
Em **Bm**
Will be within
 D **F#**
(Some with his skin)
 G **D** **F#** **G**
Ahhhh Ahhhh Ahhhh Ahhhh
 Em **G** **A**
Ahhhh Ahhhh Ahhhh
