Bring It On
Alistair Griffin

Capo 10

```
G             D
It s lost is what your thinking
Em7          Cadd9
You ve even started drinking
G            D          Em7    Cadd9
And watching TV all day long
G           D
Don t ever stop believing
Em7        Cadd9
Ideas that you re conceiving
G                  D              Em7    Cadd9
Can t change the world or take it on

        G                 Em7
Don t believe a word they say
              G            Em7
You ve gotta make your own way
G                  Em7              D
This might be the answer to your prayers

            G            D
So bring it on, bring it on
            Em7           Cadd9
Tell your friends to come along
             G            D
Raise your hands to the sound
           Em7           Cadd9
Lose your mind and jump around
        G            D
Turn it up, turn it on
          Em7              Cadd9
Tell the world they got it wrong
         D      Cadd9     D
Coz my friend it wont be long

So bring it on

G                 D
Your boss thinks that you re lazy
Em7              Cadd9
Your friends all think you re crazy
G                 D              Em7    Cadd9
Your boyfriend s left, the TV s gone
G            D
The edge is moving close now
```

Em7 Cadd9
But you re surviving somehow
G D Em7 Cadd9
If this is life then bring it on

Don t believe a word they say
You ve gotta make it your own way
This might be the answer to your prayers

Chorus

G D
Don t ever stop believing
Em7 Cadd9
Ideas that you re conceiving
G D Em7 Cadd9
Can t change the world or take it on

Chorus x2
