**Just The Way Im Not**
**All Time Low**

**C#**
Can I pick you up for,
**G#**
Another night on the north shore?
**Ebm** **F#** **G#**
Do you even want to see my face again?
**C#**
I m a waste of chances,
**G#**
Full of bad romances,
**Ebm**
Your favorite enemy,
**F#** **G#**
And your most hated friend.

**Ebm**
When it hurts it hurts,
**F#**
You wonder if it s worth it.
**C#**
But when it works it works,
**G#** (hold) **G#**
When it s broke it s perfect.

**C#**
Woah oh!
**G#**
Never to seem please you, no,
**Ebm**
Don t you ever let me go,
**F#** **G#**
I know your heart is shut, shut, shut.
**C#**
And don t you know,

Nothing s gonna change us.
**G#** **Ebm**
Girl, all because I like you just the way you aren t,
**F#** (hold) **F#** **C#**
And you like me just the way I m not.

(And you like me just the way I m not.)

**C#**

You re a classic case of,
**G#**
Foolish, young and in love,
**Ebm** **F#** **G#**
But you don t even know what love could do to us.
**C#**
We are brash and reckless,
**G#**
Made of glass and careless,
**Ebm** **F#** **G#**
We break apart the moment we both feel too much.

**Ebm**
Cause when it hurts it hurts,
**F#**
You wonder if it s worth it.
**C#**
But when it works it works,
**G#** (hold) **G#**
When it s broke it s perfect.

**C#**
Woah oh!
**G#**
Never to seem please you, no,
**Ebm**
Don t you ever let me go,
**F#** **G#**
I know your heart is shut, shut, shut.
**C#**
And don t you know,

Nothing s gonna change us.
**G#** **Ebm**
Girl, all because I like you just the way you aren t,
**F#** **G#** **C#**--
And you like me just the way I m not.
--**G#**, **Ebm**, **F#**
(You like me just the way I m...)

**Ebm**
Opposites distract,
**F#**
We fall between the cracks,
**C#** **G#**
Forget about each other  til we get each other back. [3x]

**C#**
Go!

```
                           G#
Never to seem please you, no,
                       Ebm
Don t you ever let me go,
                     F# (let it ring)     F#
I know your heart is shu...

C#
Woah oh!
                             G#
I never to seem please you, no,
                       Ebm
Don t you ever let me go,
                      F#            G#
I know your heart is shut, shut, shut.
              C#
And don t you know,

Nothing s gonna change us.
G#                             Ebm
Girl, all because I like you just the way you aren t,
F#               G#                C#, G#, Ebm, F#
And you like me just the way I m not
