Farewell
Almah

Intro: **Gm G# Fm G# Bb**
Gm G# Fm G# Bb Eb G# Bb

```
  Gm
A lonely place to go
   G#
An empty space of soul
  Fm
A breeze that wispers words
      G# Bb Bb
to my heart
  Gm
I see the lights go down
    G#
The echos in the hall
    Fm
But life is just like this
      G# Bb Eb
Right now
              C#                    G#
I ll carry on living without your love
F#                                          Eb
Thanks for all the things that you have done
                   C#              G#
You always will be here inside my world
     F#
With memories I walk on, drift along
                        Eb
Our history just has begun
```
