```
C                          G                 F               C
You re wondering now  what to do  now you know this is the end
C                          G                 F               C
You re wondering how  you will pay  for the way you did behave

F                       C
Curtain has fallen  now you re on your own
F                        C          D
I won t return  forever you will wait

(C  G  F  C)
You re wondering now  what to do  now you know this is the end

Curtain has fallen  now you re on your own
