I Could Be The One
Avicii

I did this on youtube and this sounds decent. Good for beginners.

G. **D.** **G.**
Do you think about me when youre all alone
G. **D.** **G.**
The things we used to do, we used to be,
C. **G.** **D.**
I could be the one to make you feel that way,
C. **G.** **D.**
I could be the one to set you free.

Do you think about me when the crowd is gone? It used to be so easy, you and me I could
be the one to make you feel that way I could be the one to set you free

I could be the one to make you feel that way I could be the one to set you free I could
be the one to make you feel that way I could be the one to set you free

When you need a way to beat the pressure down When you need to find a way to breathe I
could be the one to make you feel that way I could be the one to set you free

If you never see me when the crowd is gone It used to be so easy, can t you see? I could
be the one to make you feel that way I could be the one to set you free

I could be the one to make you feel that way
