Glass Figurine
Andrew Bird

Andrew Bird s Bowl of Fire - Glass Figurine

Tabbed by: Wil-Man-101 on Ultimate Guitar

There s a bit of homebrew notation on this chord chart. Each dash in a line of chords represents a bar (e.g. **C**--**E**-**Am**-**F**-**F7**-**G**-- is 8 bars total) Where there aren t dashes, the chords are played for less than a bar (e.g. **F A# C F** at the very end).

[Section 1]
```
              C                                                      E
You ve got me sitting on your mantle like a little glass figurine
Am                 F
Why must you be so mean?
F7                              G
Don t you know I ve got better things to do
```

[Section 2]
```
           C                                            E
I m like a mail order product from a housekeeping magazine
    Am              F
How utterly embarrassing
     F7                    C
Well lady I m not going to dance that dance
```

[Section 3]
```
        F                       C
Let the giraffes do it, let the sad clown cry
     D                    G7
Your porcelain kisses are not going to turn me shy
        C                         E
No, I m not your little boy, your rosy-cheeked joy,
           F                       F7
though the thought of you makes me sanguine
        C
I ll do anything you want
      F             G         C
but I won t be your glass figurine
```

[Instrumental]

[Section 3]
```
        A#                      F
Let the giraffes do it, let the sad clown cry
     G                    C7
Your porcelain kisses are not going to turn me shy
        F                         A
No, I m not your little boy, your rosy-cheeked joy,
           A#                      A#7
though the thought of you makes me sanguine
        F
I ll do anything you want
      A#            C         F
but I won t be your glass figurine
```

[Section 2]
```
             F          A               A#                A#7
I m not your mail-order product from a housekeeping magazine
        F
I ll do anything you want
      A#            C         F
but I won t be your glass figurine
      A#            C         F
No, I won t be your glass figurine [x2]
```
