Avril Lavigne

Intro **C# D#m F#** x2

```
C#                D#m       F#
  Staring at the pavement alone
C#                    D#m       F#
  Wishing that I was on my way home to you
C#                  D#m        F#
  All the shops in London are closed
            C#            D#m     F#
And I don t know where to go from here
           A#m           G#      F#
No I don t know where to go from here
But I know

C#      D#m         F#
  I m a mess I m a mess
When we re not together
C#       D#m          F#
  Such a wreck such a wreck
I hope it s not forever
     C#    D#m  F#
Will I see you again?
          C#         D#m           F#
I wish it was me and you until the end
          C#      D#m         F#
But I know  I m a mess, I m a mess
      C#      D#m        F#
I know  I m a mess I m a mess

C#                    D#m              F#

  I wish I said  I love you  just one more time
