Fix Me
10 Years

```
     Ebm                              B
It s taken a lifetime to lose my way
     Ebm          B
A lifetime of yesterdays
Ebm                        B
All the wasted time on my hands
          Ebm
Turns to sand
   B                        Ebm
And fades in the wind
                  B
Crossing lines
              G#m
Small crimes
              B         C#
Taking back what is mine
      B
I m fine in the fire
   C#
I feed on the friction
    G#m
I m right where I should be
      B          C#         Ebm
Don t try and fix me

So lost for so long
                 B
To find to my way
   Ebm
I failed to follow
   B                Ebm
I m out of place
                 B
Crossing lines
              G#m
Small crimes
              B         C#
Taking back what is mine
      B
I m fine in the fire
   C#
I feed on the friction
    G#m
I m right where I should be
      B          C#         Ebm
Don t try and fix me
