Falling is Like This - Ani Difranco

```
C#                                      G#
You give me that look that`s like laughing
C#                    G#
with liquid in your mouth
C#                                G#
like you`re choosing between choking
C#                    G#
and spitting it all out
F#                                 G#
like you`re trying to fight gravity
                     Bbm C#
on a planet that insists
F#
that love is like falling
      G#         C#   G#  C#  G#
and falling is like this

C#                       G#
feels like reckless driving when we`re talking
C#                                 G#
it`s fun while it lasts and it`s faster than walking
C#                           G#
but no one is going to sympathize when we crash
C#
they`ll say you hit what you head for
G#
you get what you ask
F#                          G#
and we`ll say we didn`t know
               Bbm C#
we didn`t even try
F#                                   G#
one minute there was road beneath us
C#      G#        C#
and the next just sky

I`m sorry I can`t help you
```

i cannot keep you safe
sorry I can`t help myself
so don`t look at me that way
we can`t fight gravity on a planet that insists
that love is like falling
and fallling is like this
