Falling is Like This - Ani Difranco

```
D                                    A
You give me that look that`s like laughing
D                   A
with liquid in your mouth
D                               A
like you`re choosing between choking
D                   A
and spitting it all out
G                                A
like you`re trying to fight gravity
                    Bm D
on a planet that insists
G
that love is like falling
      A         D   A  D  A
and falling is like this

D                      A
feels like reckless driving when we`re talking
D                                A
it`s fun while it lasts and it`s faster than walking
D                          A
but no one is going to sympathize when we crash
D
they`ll say you hit what you head for
A
you get what you ask
G                        A
and we`ll say we didn`t know
               Bm D
we didn`t even try
G                                  A
one minute there was road beneath us
D      A        D
and the next just sky

I`m sorry I can`t help you
```

i cannot keep you safe
sorry I can`t help myself
so don`t look at me that way
we can`t fight gravity on a planet that insists
that love is like falling
and fallling is like this
