You See The Trouble With Me
Barry White

```
B                D#m7     G#m7        C#m7
I m like a blind man who lost his way
  F#7
I can t see nothin
B               D#m7                 C#m7
I m like a deaf man who can t relate
        F#7
Girl, I can t hear nothin

D#m7                    G#m7
See the trouble with me
C#m7                       F#7
I can t do nothin  without my baby
D#m7
Evrything that can be
           F#7
It s gonna drive me crazy

B                D#m7     G#m7        C#m7
I walk a lonely street late at night
   F#7
Cold and lonely
B                D#m7     G#m7        C#m7
Everything I do is wrong, never right
D#m7
I m lonely for her only

D#m7                    G#m7
See the trouble with me
C#m7                       F#7
I can t do nothin  without my baby
D#m7
Evrything that can be
           F#7
It s gonna drive me crazy  x 4
```
