**To Our God**
**Bethel Music**

Capo 2

[Intro]

**Fm**. **C#**. **G#**. **Fm**. **C#**. **Eb**. (2X)

[Verse 1]

```
Fm           C#                     G#
 Up from the ashes, Your love has brought us
           Eb                  Fm
Out of the darkness, into the light
            C#                    G#
Lifting our sorrows, bearing our burdens
            Eb
Healing our hearts
```

[Chorus]

```
Fm                            C#
 To our God, we lift up one voice
                              G#
To our God, we lift up one song
                              Eb
To our God, we lift up one voice

Singing Hallelujah
Fm                            C#
 To our God, we lift up one voice
                              G#
To our God, we lift up one song
                              Eb.
To our God, we lift up one voice

Singing Hallelujah
```

[Instrumental]

**Fm**, **C#**, **G#**, **Fm**, **C#**, **Eb**

[Verse 2]

```
Fm                C#                      G#
 Chains have been broken, eyes have been opened
           Eb                        Fm
An army of dry bones is starting to rise
            C#                   G#
Death is defeated, we are victorious
            Eb
For You are alive

[Chorus]

Fm                            C#
 To our God, we lift up one voice
                              G#
To our God, we lift up one song
                              Eb
To our God, we lift up one voice

Singing Hallelujah
Fm                            C#
 To our God, we lift up one voice
                              G#
To our God, we lift up one song
                              Eb.
To our God, we lift up one voice
                     C#
Singing Hallelujah
           Eb
Hallelujah
                    C#
Singing Hallelujah
           Eb
Hallelujah
                     C#
Singing Hallelujah
           Eb
Hallelujah
                    C#
Singing Hallelujah
           Eb
Hallelujah

[Bridge]

                Fm         C#         G#         Eb
We ll make His praise glorious, glorious, glorious
        Fm          C#         G#         Eb
For His name is glorious, glorious, glorious
         Fm          C#         G#         Eb
Make His praise glorious, glorious, glorious
          Fm          C#         G#         Eb
```

Shout His name so Glorious, Glorious, Glorious

[Chorus]

```
Fm                              C#
 To our God, we lift up one voice
                                G#
To our God, we lift up one song
                                Eb
To our God, we lift up one voice

Singing Hallelujah
Fm                              C#
 To our God, we lift up one voice
                                G#
To our God, we lift up one song
                                Eb
To our God, we lift up one voice
                   Fm     C#
Singing Hallelujah
                   G#      Eb
Singing Hallelujah
```

[Bridge]

```
                Fm         C#         G#         Eb
We ll make His praise glorious, glorious, glorious
        Fm          C#         G#         Eb
For His name is glorious, glorious, glorious
         Fm         C#         G#         Eb
Make His praise glorious, glorious, glorious
          Fm          C#         G#         Eb
Shout His name so Glorious, Glorious, Glorious

                Fm         C#         G#         Eb
We ll make His praise glorious, glorious, glorious
        Fm          C#         G#         Eb
For His name is glorious, glorious, glorious
         Fm         C#         G#         Eb
Make His praise glorious, glorious, glorious
          Fm          C#         G#         Eb
Shout His name so Glorious, Glorious, Glorious
```

[Outro]

**Fm. C#. G#. Eb.**
