```
Fm                  F#
   I ve been on the road, where you been?
G#                          Eb5/F
   Real protective with my soul, where you been?
Fm                  F#
   Is your GPS even on, where you been?
G#                                Eb5/F
   Matter of fact, I don t even care where you been

Fm                          F#
   Bad vibes get off of me, outta here with that fuckery
G#                                 Eb5/F
Treat my goals like property, collect them like Monopoly
Fm            F#
   I probably won t come if there s not a fee
    G#                                Eb5/F
And if they try come stoppin  me, I swerve both ways, dichotomy

Fm                  F#
   I like women and men (yeah)
                G#                          Eb5/F
Work so fuckin  much, need a twinny, twin, twin
                Fm                       F#
How you hit the club and you barely got in?
                G#                        Eb5/F
Then we hit the bank, making them investments for the win

       Fm               F#
Said,     I been on the road, where you been?
(Oh-oh-oh)
