Levitating
Dua Lipa

Bm D Em Bm x2

```
Bm                          D
If you wanna run away with me I know a galaxy
    Em                      Bm
And I could take you?for?a ride
  Bm                         D
I had?a premonition that we fell into?a rhythm
          Em                   Bm
Where the music don t stop for life

Bm                  D
Glitter in the sky, glitter in my eyes
Em                       Bm
Shining just the way you like
Bm                                 D
If you re feeling like you need a little bit of company
    Em                     Bm
You met me at the perfect time

Bm            D
  You want me, I want you, baby
Em            Bm
  My sugar-boo, I m levitating
Bm              D
  The Milky Way, we re renegading
Em                      Bm
Yeah, yeah, yeah, yeah, yeah

      Bm   D          Em        Bm
I got you, moonlight, you re my starlight
       Bm  D          Em                    Bm
I need you all night, come on dance with me

I m levitating
      Bm   D          Em        Bm
I got you, moonlight, you re my starlight
       Bm  D          Em                    Bm
I need you all night, come on dance with me

I m levitating

Bm D Em Bm

Bm                                D
I believe that you re for me, I feel it in our energy
```

```
  Em                    Bm
I see us written in the stars
Bm                           D
We can go wherever, so let s do it now or never
      Em                     Bm
Baby, nothing s ever ever too far

Bm                  D
Glitter in the sky, glitter in our eyes
Em                      Bm
Shining just the way we are
  Bm                            D
I feel like we re forever every time we get together
    Em                          Bm
But whatever, let s get lost on Mars

Bm            D
  You want me, I want you, baby
Em            Bm
  My sugar-boo, I m levitating
Bm              D
  The Milky Way, we re renegading
Em                      Bm
Yeah, yeah, yeah, yeah, yeah

      Bm   D          Em        Bm
I got you, moonlight, you re my starlight
       Bm  D          Em                    Bm
I need you all night, come on dance with me

I m levitating
      Bm   D          Em        Bm
I got you, moonlight, you re my starlight
       Bm  D          Em                    Bm
I need you all night, come on dance with me

I m levitating

Bm              D                Em
  You could fly away with me tonight
               Bm
You could fly away with me tonight
Bm             D
  Baby, let me take you for a ride
Em                      D
Yeah, yeah, yeah, yeah, yeah

I m levitating
Bm              D                Em
  You could fly away with me tonight
               Bm
```

```
You could fly away with me tonight
Bm             D                  Em
  Baby, let me take you for a ride
                         Bm
Yeah, yeah, yeah, yeah, yeah

I m levitating

Bm                                 D
My love is like a rocket, watch it blast off
        Em                             Bm
And I m feeling so electric, dance our ass off
Bm                        D
And even if I wanted to, I can t stop
Em                      Bm
Yeah, yeah, yeah, yeah, yeah
Bm                                 D
My love is like a rocket, watch it blast off
        Em                             Bm
And I m feeling so electric, dance our ass off
Bm                        D
And even if I wanted to, I can t stop
Em                      Bm
Yeah, yeah, yeah, yeah, yeah

Bm            D
  You want me, I want you, baby
Em            Bm
  My sugar-boo, I m levitating
Bm              D
  The Milky Way, we re renegading

      Bm   D          Em        Bm
I got you, moonlight, you re my starlight
       Bm  D          Em                    Bm
I need you all night, come on dance with me

I m levitating

Bm              D                Em
  You could fly away with me tonight
               Bm
You could fly away with me tonight
Bm             D                  Em
  Baby, let me take you for a ride
                        Bm
Yeah, yeah, yeah, yeah, yeah (I m levitating)
Bm              D                Em
  You could fly away with me tonight
               Bm
You could fly away with me tonight
Bm             D                  Em
  Baby, let me take you for a ride
```

```
      Bm   D          Em        Bm
I got you, moonlight, you re my starlight
       Bm  D          Em                    Bm
I need you all night, come on dance with me

I m levitating
      Bm   D          Em        Bm
I got you, moonlight, you re my starlight
       Bm  D          Em                    Bm
I need you all night, come on dance with me

 I m levitating
```
