Your Hurtin  Kind of Love

Intro: **C  G  F** (2X)

```
C            Am                F       G
I wanted you so, wanted you to hold me tight
G7               F        G
Take my love and treat me right
D#            Cm                          G#      F
I needed your love so but you re just the hurtin  kind
Bb              Cm        Bb
Nearly drove me out of my mind
```

Chorus:

```
G                   F
Your hurtin  kinda love
G                   F
Your hurtin  kinda love,
                Em     F       G
Oh, oh, oh, oh, oh, it left me crying
```

I d never been blue, I never had to cry all day
Tryin  to wash the hurt away
But then I fell for you, giving you the love I had
Just to have you treat me so bad
Chorus

```
C              Am
So, now you re with another love
C           Am
It just may be your lover
Bb           D#             G
Could be the one to do what you have done to me, yeah
```

I want you to know even though you broke my heart
I can make a brand new start
I m so glad to see you go, you will bring me no more pain
I will never cry again

Chorus
