   It can do just what you want.

Am                                C           G
   Summer tan, these little symptoms you got.

Am                                C           G
   Water cool these bones down, youâ€™re so hot.

Am                                C           G
   Waves can break these feelings like theyâ€™re not.

   D7#,                                C#,         G#
   So, sweet little lover wonâ€™t you let me know?

   D7#,                       C#,       G#
   Like a circle round and round we go.
```

So we soldier on, with burning feet we run.
And here our bodies lay with our own road so far away.
Water cool these bones down, itâ€™s so hot.
Waves can break these feelings like theyâ€™re not.

So, sweet little lover wonâ€™t you let me know?
Like a circle round and round we go.

Sweet little lover wonâ€™t you let me know
Like a circle round and round we go.
