C G/B Am7 G D7 G D7

```
   G               G7               C
It wasn t really sad the way they said good-bye
   D                            G             D
Or maybe it just hurt so bad she couldn t cry
C/E  D/F#  G                       G7                      C

```

```
G/B  Am7   G            D7                G         D7

[Verse 2]
(same as verse 1)

He took a plane across the sea to some foreign land
She stayed at home and tried so hard to understand
How someone who had been so close could be so far away

[Chorus]

```
G/B  Am7   G            D7                G
       And she became the girl from yesterday
```

[Verse 3]

```
D/F#  Em7   D
        She doesn t know what s right
    C                   G
She doesn t know what s wrong
    C    D/F#        Em7       G/D   C                  D7
She only knows the pain that comes from waiting for so long
        C                   G
And she doesn t count the teardrops
           C                   G
That she s cried while he s away
```

```
  Em            D      C      G/B
Because she knows deep in her heart
     Am7                D7sus  D7     Em7  D/F#
That he ll be back someday
