B----------------------------------------------|
G----------------------------------------------|
D--3--0---------3--0-------0--3--2--0--3--2----|
A----------------------------------------------|
E----------------------------------------------|

   we heard it all in halls of pain
   it wasn t good
   there was a call, in baggage claim
   it wasn t good
   she had a hunch, it was t lunch
   it wasn t good

 (last time)

                                                        C  F
     I drove a spike into the punch, it wasn t good

[chorus]
 F         Dm               Bb
  heaven s boys protect you
       C      F
  i am almost there
          Dm            Bb
  if your poison gets you
         C     F
  i will be on time
         Dm           Bb
  if you sink to madness
        C      F
  say a little pray
          Dm            Bb
  if your poison gets you
```

```
       C
  i am down the line

[break]

```

  back to verse 1 progression. Play thru 1x over solo.

[verse 2] - same riff (guitar left plays Dm on almost every downbeat)

  now once again to halls of pain
  when will it end?
  god s machines say it s your genes
  when will it end?
  why has thou forsaken me, again and again?
  you always said when will it end?
  when will it end?

[chorus] - same chords

  heaven s boys protect you
  i am almost there
  if your poison gets you
  i will be on time
  if you sink to madness
  say a little pray
  if your poison gets you
  i am down the line

```
