Intro:
C B Amaj7 G# F#

```
C             B              Amaj7  G#  F#
I got a garden where it never rains (no)
C                 B                 Amaj7     G#  F#
I feed the flowers tears, they don t complain (yeah, ooo)
                 C
Can I get you to cry, baby (baby)
                 B
If I tell you a lie, baby? (baby)
              Amaj7
I just need a reaction
            G#     F#
To keep it alive baby (baby)
    C                 B
Cuz I ve got a garden in my heart
    Amaj7      G#       F#
And I can t survive without some (kind of)...
```

Chorus

```
C         B                  Amaj7                G#  F#
Fertilizer I ll take bullshit if that s all you got
             C          B                   Amaj7               G#  F#
Without some fertilizer, tears, and sunshine all the growing stops
                              C   B   Amaj7  G#  F#
```

Whatever I just need it from you
C B Amaj7 G# F#
I just need it from you

Well I heard that the flowers love to hear you sing, baby girl
Put your ear to my heart, bet you won t hear anything
Can I get you to sing baby? (baby)
Give me something in E major? (major)
Pretty darling, your silence, is driving me crazy (crazy)
Girl I got a garden in the dark, and I can t, survive without some kind of...

Chorus
Fertilizer I ll take bullshit if that s all you got
Without some fertilizer, tears, and sunshine all the growing stops
Whatever I just need it from you
I just need it from you
I just need it from you

Amaj7 F#m
Behold, light from my star
Amaj7 F#m
I dug a hole, planted my heart
C# Amaj7
It s been told, that hearts can grow
G# F#
I just need...

Chorus (x2)
Fertilizer I ll take bullshit if that s all you got
Without some fertilizer, tears, and sunshine all the growing stops
Whatever I just need it from you

Fertilizer I ll take bullshit if that s all you got
Without some fertilizer, tears, and sunshine all the growing stops
Whatever I just need it from you
I just need it from you, you
