

**Not Of Our Hands  
1000 Generations**

**C#                    G#                    F#                    G#**

Let this be not of our hands, but by Your Spirit

**C#                    G#                    F#**

Let this be not of our hands, but by Your Spirit

(intro 2x) **C# G# F#**

**C#**

Lord we don t want to move without You

**F#                    C# G#**

No we don t want to work in vain

**C#**

Lord you know we want to be used by You

**F#                    C#**

But we don t want anything built in our strength

**F#**

Cause we don t want to move

**A#m                    G#**

We don t want to move without You

**F#**

No, we don t want to move

**A#m                    G#**

Don t want to move without You

(refrão)

**C#                    G#                    F#**

Let this be not of our hands, but by Your Spirit

**C#                    G#                    F#**

Let this be not of our hands, but by Your Spirit

**A#m                    Fm                    F#**

we don t want to move, don t want to move, without You

**A#m                    Fm                    G#**

We don t want to move, don t want to move, without You

(parte 2)

**C#**

Lord, You know we don t want to go before You

**F#                    C#**

No we don t, want to keep running

**C#**

So Lord we pray that we will stay found in You

**F#                    C#**

For without You, we cannot do anything

**F#**

We don t want to move

**A#m**

We don t want to move

**B**

Don t want to move, without You

(refrão)

**C#                      G#                      F#**

Let this be not of our hands, but by Your Spirit

**C#                      G#                      F#**

Let this be not of our hands, but by Your Spirit

**A#m                                      Fm                                      F#**  
we don t want to move, don t want to move, without You

**A#m                                      Fm                                      G#**  
We don t want to move, don t want to move, without You

**F#                      Fm                      A#m**

It s Not by power, not by strength

**G#**

But through Your Spirit and by Your grace

**F#                      Fm                                      G#**

If it s on our hearts, we ll be on our face

**C#                      G#                      F#                      G#**

Let this be not of our hands, but by Your Spirit

**C#                      G#                      F#**

Let this be not of our hands, but by Your Spirit

**C#                      G#                      F#                      G#**

Let this be not of our hands, but by Your Spirit

**C#                      G#                      F#**

Let this be not of our hands, but by Your Spirit

**C#                      G#                      F#                      G#**

Let this be not of our hands, but by Your Spirit

**C#                      G#                      F#                      C#**

Let this be not of our hands, but by Your Spirit
