THIS SONG - Badly Drawn Boy

```
A                    E                                D             A
This song will need you when your old
A                    E                                D
This song will heat you when your cold
A                    E                                D             A
Believe you when I don t
A      E       D D7
This song will heal you from your soul

A                    E                                D             A
This song will help you find a place to live
A                    E                                D
And teach you not to take but give
A                    E                                D             A
This song will help you in your dying hours
A      E       D D7
This song will send your lover flowers

A                    E                                D             A
Blessed by the song and the gifts that it brings
A      E       D D7
Beautiful song, it has wings
```

This is the chord I saw Badly Drawn Boy played in Sydney Enmore Theatre on 20Mar03
