Listen Up
Brandon Heath

Capo 3

```
C           G          D
Why are you crying
          C   G     D
Did I say something wrong
                C         G
Weren t we just talking
              C   G    D
Tell me whats going on

          Em          C
Cause Iâ€™m pretty sure my intentions
     G                  C
Were nothing more than conversation
Em             C
Maybe you just needed someone
   G              D
To listen to your heart

        C         D
Maybe I spoke too soon
        Em       D
Maybe I said too much
           C        D
Now that my face is blue
                  Em  D  G
Think itâ€™s time I listen up
             C    D    G
Iâ€™ve already said enough

C           G          D
Sometimes I do this
             C   G   D
Thing is Iâ€™m so afraid
               C       G
When it getâ€™s quiet
               C   G    D
What you might have to say
```

```
          Em
Cause Iâ€™m guilty of
     C
Overcompensation
G
Iâ€™m lost in my
C
Own translation
Em           C
I apologize, I know I
       G              D
Should listen to your heart

Chorus
```
