Hangin'
Bastille

```
Am                      G
Hindsight s a wonderful thing
C                                           Dm
When we re all experts and pretend
Am                         G
Where s a good place to begin
C
Let s start with the truth
Dm
 Cause it gets you in the end
Am                         G
Hangin  the past out to dry
C                           Dm
String it up, all of your regrets
Am                         G
No matter how hard you try
C
They blow round in the breeze
Dm
Through the branches in your hair
F                                          C
Still through the leaves
             G                 C
The wind keeps blowing, so
Am                                      G
Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you
Am                                      G
Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you
Am      G         C                            Dm
    Ooh...        it s coming for you (2x)
Am                                      G
Hindsight s an unhelpful friend
C                                    Dm
Who s waiting there at the end
Am                                      G
He catches you unaware
C
With  I told you so
Dm
And the spirit to the stairs
Am                                      G
Now that it all seems so clear
C                                    Dm
```

```
You can end the lies from now here
Am                                      G
Those bits you d rather forget
C
Cut them down, cut them down
Dm
And lay them all to rest, cause
F                                          C
Still through the leaves
              G                 C
The wind keeps blowing, so
Am                                      G
Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you
Am                                      G
Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you

Am      G         C                           Dm
    Ooh...        it s coming for you (2x)
F                           C                             G
     C
Just leave me hangin  in breeze if it makes you feel better
              F                                C               G
          C
cause still through the leaves the wind keeps blowing
F                           C                             G
     C
I could just turn the other cheek if it makes you feel better
              F                                C               G
          C
cause still through the leaves the wind keeps blowing,but
Am                                      G
Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you
Am                                      G
Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you
Am                                      G
Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you

Am      G         C                           Dm
    Ooh...        it s coming for you (2x)
    Am                                       G
(Don t leave me hangin
C                                    Dm
I m coming for you, I m coming for you)
```

Am **G**
Don t leave me hangin
C **Dm** **Am**
I m coming for you, I m coming for you.
