Bbm                       G#
Tonight I kinda get the feeling
                  F#
My girl is up to something, something that is no good
Bbm                       G#
She said she only had a meeting
                        F#
But she is dressed for something, something that is no good
Bbm                              G#                          F#
Now I m not saying that she s cheating, but seeing is believing
                              F#
Can t believe it, what I m seeing when I stepped inside

F#                 C#              G#               F#
She s so wasted, acting crazy, making a scene like it s her birthday
```

```
F#                    C#             G#             F#
Drinking champagne, going insane, falling on me like it s her birthday

F#                                       C#
Eh, eh, eh, eh, eh, eh, eh      This ain t the night I thought it d be
G#                                F#
Oh, oh, oh, oh, oh, oh, oh      She ain t shy, apparently
F#                                       C#
Eh, eh, eh, eh, eh, eh, eh      She s in the crowd and everybody sings
G#                                F# (hit once)
Oh, oh, oh, oh, oh, oh, oh      Just like it s her birthday

Bbm                           G#
She turns and says don t be surprised
                F#                F#
It s gonna be a good night     A good, good night
Bbm                           G#
She s showing me a different side
               F#                 F#
One I ve never seen before, that I Ignore
               Bbm                              G#
Cause when I m up she s all about me, when I m down she stays around me
      F#                          F#
Now I know I m one and only so I might as well enjoy the ride

F#                C#             G#              F#
She s so wasted, acting crazy, making a scene like it s her birthday
