[a_CROSS//the_EARTH] :: Tear Down The Walls
INTRO:
G#m / / / | **E** / / / | **B** / / / | **F#** / / / |

VERSE 1:

```
        G#m
You knew us from the start
E
    Our every moment
B
Though we fell apart
F#
    You chose to love us
G#m
Never letting go
E                                        B / / / |  (F#)1st x
    You sent Your Son for us
```

VERSE 2:

He came into the world
With one desire
To lead us from our sin
Remove our failures
So we could meet with You
And know ourselves as Yours

PRE CHORUS:

```
F#        G#m
    In a world that tries to
E
Find a way in itself
F#                 G#m
    Searching high and low
E
Looking for a meaning
F#             G#m
    We will hold to what we
E
Know is truth know is love
F#          G#m
    Life is found when we
E                                       F#
```

Give ourselves all to You Lord

CHORUS:

```
E                             F#
    Give it all give it all
            G#m
To the One who s Life
E                             F#
    Give it all give it all
            G#m
To the One who s Life
E                             F#
    Give it all give it all
            G#m                E
To the One whose life
F#          G#m
    Saved mine
```

VERSE 3:

Our future in Your hands
Our lives with purpose
Sins now erased our past behind us
Never looking back
We know ourselves as Yours

BRIDGE:

```
B
This we know we have a new life
We are Yours now and forever
G#m
In this life all that we seek
     E
To be with You more than anything
```
