Capo 3

I m not sure about the chords names, so here you are what I meant.
All chords are related to capo 3:

Dsus2 : xx0230
Dsus2/F# : xx4230
D6sus2 : xx0430
Bm : x24432

--- This great song is quite easy to play, despite the weird chords names.
--- He starts with Dsus2 then he plays with the bass note F# and B
--- ring finger on fourth fret third string / fourth string, until
--- he ends with Bm).
--- I Hope it s accurate enough! :)
