Bass on verse:

```
  Eb           G#
e|-------------------------|
B|-------------------------|
G|-------------------------|
D|-------------------------|
A|-7-7-7-7-----------------|
E|---------9-7-5-5-5-5-7-9-|
```

[Verse 1]

```
Eb              G#                    Eb
Lisa s kissing men like a long walk home
               G#
When the music stops
Eb               G#                       Eb
Take a tip from me don t go through the park
                     G#                     Cm
When you re on your own, it s a long walk home
```

[Chorus]

```
        Gm
If they follow you
           Fm
Don t look back
                  G#
Like Dylan in the movies
        Cm
On your own
        Gm
If they follow you
              F                                  G#
It s not your money that they re after boy it s you
```

[Verse 2]
(same as verse 1)

Pure easy listening, settle down
On the pillow soft when they ve all gone home
You can concentrate on the ones you love
You can concentrate, hey, now they ve gone

[Chorus]
(as above)

If they follow you
Don t look back
Like Dylan in the movies
On your own
If they follow you
It s not your money that they re after boy it s you

[Solo]
(verse pattern then chorus)

[Bridge]

Yeah you re worth the trouble and you re worth the pain
And you re worth the worry, I would do the same
Cm **Gm** **G#**
If we all went back to another time

I will love you over
Fm
I will love you over
G#
I will love you

[Chorus]
(as above)

If they follow you
Don t look back
Like Dylan in the movies
On your own
If they follow you
Tenderly you turn the light out in your room

If they follow you
Don t look back
Like Dylan in the movies
On your own
If they follow you

Then miss out that last line and straight to:

C#m B G#m and repeat to end
